

1st Gaming Session: 9:00am to 1:00pm

Event Type:	Event Category:	Event Name:	Location (table number):	Event Description:	Game Master:	Scale:	Rule System:
Miniature	Napoleonic	Napoleonic Wargame		The morning sessions consists of two 1 and 1/2 hr gaming sessions (0900 to 1030 hrs and 1130 to 1300 hrs)inwhich a gamer handles a brigade of Napoleonic troops consisting of 4 to 6 battalions of infantry(24 to 30 figs each),regiment of cavalry (16 to 20 figs each) and a battery of artillery (8 figs and one gun) and do battle against another opponent with the same number of troops. Basically a gamer learns how to move and utilize infantry, cavalry and artillery by using dice to determine who moves first and who shoots first. Gamemaster will teach and advise of the rule system during play.	Frank Kailik	15mm	Based on GDW's Fire & Steel
Miniature	World War II Air Combat - Check Your Six!	The Battle of Britain - Adler Tag +2		August 15th 1940. Waves of bombers supported by swarms of escorts continue to attack Britain. Despite claims to the contrary the RAF are far from beaten. This 2 table linked game uses a continuous deployment system. Players will join the game on a per mission basis flying 2 fighters, 3 bombers or an air sea rescue. Once missions are completed jump straight back in with another mission with no limit to the number of missions you may fly. Painted Prizes will be available at the end of the game chosen from the aircraft used during play. Experienced players will be on hand to help and teach the rules so no experience is necessary. Pull your chute straps tight and keep your boots dry.	Dan Joyce	1/300th	Check Your Six!
